

Proven Engineered Products - Complete Material Handling Solutions

Link-Belt® and Syntron® Today: December 2017

Feature: Screw Conveyors

Link-Belt® screw conveyors are designed to handle a wide range of materials: light or heavy, fine or coarse, granular or flaky, hot or cold, wet

or dry, sluggish or free-flowing. Their clean, compact design saves space and simplifies installation. Screw conveyors can be mounted horizontally, vertically, and inclined. We carry a wide variety of configurations, such as helicoid flight, ribbon flight, and short pitch conveyor screws. [Download the data sheet for details and specifications.](#)

Applications: Contract Manufacturing

Syntron Material Handling is pleased to announce the launch of our Contract Manufacturing services. An extension of our core product lines and unique fabrication applications, Contract Manufacturing showcases our extensive manufacturing capabilities. Customers like Schlumberger, Husqvarna, and Toyota have been quick to partner with SMH for application-specific Contract Manufacturing solutions. [Visit our website](#) to learn more.

Merry Christmas and Happy New Year...

From the SMH family to you and yours, thank you for the opportunity to work with you in 2017. Have a wonderful Christmas holiday. So our employees can celebrate with their families and friends, our offices will be closed Friday, December 22nd, Monday, December 25th, and Friday, December 29th. Merry Christmas and Happy New Year!

...and Thank You.

We want to thank all of our distribution partners across the globe who have taken our business to the next

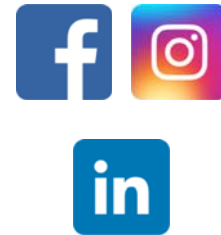

Feature: Bucket Elevators

For all your Bucket Elevator replacement needs and new installation projects, look to the leader who has been in business for over 137 years – Link-Belt®. Employee Spotlight

Denny Windham has been with us for 41 years and says the thing he loves most about his job is working with people. He began his career as a drill press operator and has since held many positions, including welder, lathe operator, press brake and punch press operator, and material handling dispatcher. He is currently a senior planning/scheduler and has held the position for over 19 years. Denny has touched the lives of many employees throughout his career. We are pleased to honor him as our December Employee Spotlight.

Tis the Season to Give Thanks

Thank you to all the SMH employees who made a donation during our recent blood drive. We surpassed our goal and donated 12 types of blood products through the drive.

Thank you also to all the SMH employees for your Salvation Army Angel Tree donations. Because of you, these Angels will get to experience an extra special Christmas this year.
