

We're Invested in Your Success

## Link-Belt® and Syntron® Today: March 2019

### Featured Video: Inclined Vibrating Screens

*Pit & Quarry* magazine talks to Brad Nichols, SMH Engineering Manager, about the Link-Belt® line of inclined vibrating screens. They provide medium- and heavy-duty service screening

for a wide range of materials in the coal, aggregate, asphalt, pulp and paper, and chemical handling industries. Include rotary models for maximum particle separation; extra heavy duty models for high tonnage units sizing and scalping; and economical units for fast, accurate sizing. Watch the [Vibrating Screens video here](#).

### Link-Belt® Sets Standard of Excellence in Conveying

Since 1880, our Link-Belt conveyor idlers, feeders, screw conveyors, and bucket elevators have set the standard of excellence for bulk material handling. Our wide range of products deliver reliable, proven conveying solutions. [Find out more.](#)

### New Electrical Drive and Controls Brochure

Because power transmission affects the performance, cost, and reliability of conveying systems, SMH pairs Link-Belt® drives with state-of-the-art controls to deliver outstanding control and reliability for starting, running, and stopping conveyor belts. Each

### Send Us Your Pics for Social Media

If you'd like to be featured in our social media posts, send us your product photos and event highlights. Email [info@syntromh.com](mailto:info@syntromh.com).

## Partner News

Thank you to Motion Industries, SMH industrial parts distributor, for the wonderful opportunity to participate in your regional (Southeast/Midwest) partner event. We look forward to seeing everyone at the (Central/East) meeting March 31- April 2 in Boston.

---

## Upcoming Events

### SMH University

April 15-17, 2019  
Savannah, MS

### CIM

April 28-01, 2019  
Montreal, Quebec

### Longwall USA

May 20-22, 2019  
Pittsburgh, PA

### 30th China International

#### Glass Exhibition

May 22-25, 2019  
Beijing, China

### Exponor Chile

May 27-30, 2019  
Antofagasta, Chile
