

We're Invested in Your Success

Link-Belt® and Syntron® Today: November 2018

Featured Idler Rolls and Screw Conveyor Parts - Order Today, Ship Today

Link-Belt Idler Rolls and Screw Conveyors set the standard for excellence in the bulk material handling industry. These products are in stock and ready to ship. Order today and they ship today!

Link-Belt Screw Conveyors are designed to handle a wide range of materials: light or

heavy, fine or coarse, granular or flaky, hot or cold, wet or dry, sluggish or free-flowing. Their clean, compact design saves space and simplifies installation. We carry a wide variety of configurations, such as helicoid flight, ribbon flight, and short pitch conveyor screws. **Check out our Screw Conveyors updated inventory.**

The revolutionary new Link-Belt Composite Idler Rolls are made with glass-reinforced polyurethane. They combine flex strength, lighter weight, and higher corrosion resistance. CEMA B, C, D, and E idler rolls are available and in stock. **Download the Idler Rolls data sheet.**

SMH - Link-Belt® + Syntron®

Syntron Material Handling is the company name that represents our commitment to innovation and quality in material handling. How we do that is based on our Link-Belt® and Syntron® brands, delivered globally from our Tupelo, MS and Changshu, China facilities.

Link-Belt®

Providing the world's largest belt conveyors for 139 years. Find out more about our Link-Belt® **Idlers**, **Screw Conveyors**, and **Bucket Elevators**.

Order Replacement Parts Now for the Holiday Downtime

There's still time to order and receive Syntron and Link-Belt parts before the holidays. But don't wait! Between known downtimes and unpredictable events, it can be tough to keep equipment in peak working condition over the long holiday season. Order needed parts for conveyor idlers, feeders, screw conveyors, and bucket elevators now to keep lines moving around the clock. To place your order, call 800.356.4898 or email orders@syntronmh.com.

Veterans Day
