

We're Invested in Your Success

Link-Belt® and Syntron® Today: October 2018

Featured Products: Food & Packaging

Uninterrupted material flow eliminates the need for manual manipulation, whether feeding, mixing, or packaging. Syntron and Link-Belt products provide a variety of ways to effectively convey bulk materials. We have the solutions for all your food processing and packaging needs, including stainless steel screw conveyors, mixers, and vibratory feeders. Find out more about our [Food and Packaging Industry Solutions](#).

PACK EXPO 2018

Great turnout at the Syntron Material Handling booth during this year's PACK EXPO. Demos featured our high speed food and packaging solutions, including the HV-10 feeder with gentle vibration technology, F-T02 for high-stroke scale feeding, and BF-3 drive for larger trough sizes. Find out more about our [High Speed Solutions](#) in this 2018 PACK EXPO brochure.

State-of-the-Art Composite Idler Rolls

Syntron Material Handling's revolutionary new idler rolls are made with glass-reinforced polyurethane. This provides comparable tensile and flex strength to steel and aluminum, while also offering lighter weight, higher corrosion resistance, and reduced material build-up. Download the [Composite Idler Rolls](#) spec sheet today. For more information, contact Dennis Bazy at 662.869.7942.

Summer Social Media Winner

Congratulations to our winner of the summer social media video challenge. Steve Almborg of Weigh Right sent in this great video displaying Syntron Feeders being used in a bubble gum wrapping process. He won a cooler, spices, and other fun grilling accessories. [Watch the video.](#)

Electromagnetic and Electromechanical Feeder Spare Parts Illustration

Syntron Vibrating Feeders are designed to increase bulk handling

productivity with high, controlled feed rates to improve cost-per-ton efficiency. Capacities range from 25 to 4,000 tons per hour. Check out our new **Electromagnetic Feeder Spare Parts** and **Electromechanical Feeder Spare Parts** diagrams on the website.

New Screw Conveyor Inventory

Link-Belt screw conveyors and components set the standard of excellence in the bulk material handling industry. These products are in stock and ready to ship. **Screw Conveyor Inventory**.

One Million Safety Hours!

Syntron Material Handling celebrated One Million Safety Hours this month. Everyone enjoyed a catfish & chicken lunch while taking time to recognize our dedication to safety and service.

Service Awards

Congratulations to our most recent service award recipients. Seated (L-R): Johnny Posey (40 Years) and Charlotte Herring (15 years) Standing (L-R): Rob Drew and Andy Blanchard.
